The \$250 will cover the Fall Sports Participation Donation (\$75-covers full time trainer, equipment, uniforms, etc.) and the Team Gear Package (items listed below as well as away game socks and a team backpack-valued at retail for over \$260). Any extra money will go into the Field Hockey budget and will be used for various activities and purchases throughout the season. NOTE: if you want to have your name embroidered on the backpack, it is an additional \$5. To get a number is an additional \$3 (so both would be \$8).
