

**Branham Field Hockey
TEAM COVENANT**

- I will support the reputation, alumni, parents, coaches, administration, captains and teammates of Branham Field Hockey with my words, actions and time.
- I will not talk negatively about my teammates, coaches or the hockey program. I will deal with any conflict immediately and in person. I also understand that negative/inappropriate social media content can have an affect on my team status.
- I will work to keep my GPA above 3.0 (with no F's). If I begin to fall back in my academics, I will take time away from field hockey in order to get my grades up to where they need to be.
- I will come to practice and games on time and prepared physically, mentally, and emotionally to give 100% the entire time.
- I will work to manage my time in order to be both a student and an athlete.
- I will set personal goals and create a plan to reach those goals.
