EVENTS

Senior Game

This is a night game where seniors will be individually recognized with their family. The times are different than usual.

CCS

This is for varsity only. Our participation will depend on coming in first or second in the league. Practices will be scheduled as necessary.

Fall Sports Banquet

There will be a dinner and awards given out. Also, we underwrite the cost of the meat and get the profit so it is a big fundraiser. We will need parents to help prepare the food as well.
